SPRING - SUMMER COLLECTION 2024 fisura.

Fisura new collection is full of novelties, **revolutionizing** our classics with a touch of innovation: lava lamps with **LED** technology or lava lamps that work with candles, yes! without electricity...

And as every summer, our "must have" to combat the heat... more than 100 models of fans, each one with a matching hanger so that you can always be the coolest. But we haven't stopped there, **we have expanded our range of products,** immersing ourselves in the vibrant world of **summer, heat, holidays** and finally... **everything you need for your pet!**

After seeing your enthusiasm for the hand fans **packaging**, we listened to you and got down to work. Now, our products come wrapped in an explosion of **colour and style**, reflecting a **fresh and dynamic** brand image.

Don't miss the live experience! We look forward to seeing you at the major international trade fairs in **Milan, Paris, Frankfurt or Madrid.** Look out for our unmistakable pink stand with ball pool, a space where fun and creativity are the protagonists.

As we always say, there are 3 answers to a collection, YES, NO WOW.
WoW is the one we aim for!

La nueva colección de **Fisura** llega cargada de novedades, **revolucionando** nuestros clásicos con un toque de **innovación:** lámparas de lava con tecnología **LED** o lavas que funcionan con velas, si, sin electricidad..

Y como cada verano, nuestro "must" para combatir el calor... mas de 100 modelos de abanicos, cada uno con un colgador a juego para que siempre seas el más "cool". Pero no nos hemos quedado ahí, **hemos ampliado nuestra gama de productos**, sumergiéndonos en el vibrante mundo del **verano, el calor, las vacaciones** y por fin... **¡todo lo que necesitas para tu mascota!**

Tras ver vuestro entusiasmo por los **packagings** de los abanicos, os hemos ecuchado y nos pusimos manos a la obra. Ahora, nuestros productos vienen envueltos en una explosión de **color y estilo**, reflejando una imagen de marca más **fresca y dinámica.**

¡No te pierdas la experiencia en vivo! Te esperamos en las principales ferias internacionales de **Milán, París, Frankfurt y Madrid.** Busca nuestro inconfundible stand rosa con piscina de bolas, un espacio donde la diversión y la creatividad son protagonistas.

NEW PACKAGING DESIGN

"FISURA GETS A MAKEOVER: COLOUR, STYLE AND ATTITUDE!

We are excited to present our new packaging design, where the traditional black says goodbye to an exciting burst of colour and design.

Goodbye Black, Hello Colours!
We're going big with a total makeover - let the colour party begin!

Design with attitude:
Design is our signature. Each packaging is now a unique canvas. Vibrant typography and colours take the shopping experience to a whole new level.

Packaging that Tells Stories:
We've included product photography, both individual and in real environments that help products to be seen more and understood better.

Less plastic, more planet!
We reduce the use of plastic because we care about the planet. A touch of eco-design towards a greener world.

A statement of style and design, Fisura is ready to make a difference in your spaces, with products that not only catch the eye, but scream design.
We want every product to be a work of art that will conquer eyes... and hearts!

"FISURA SE RENUEVA: ¡COLOR, ESTILO Y ACTITUD!

Estamos emocionados de presentar nuestro nuevo diseño de packaging, donde el ya tradicional negro se despide para dar paso a un emocionante estallido de color y diseño.

Adiós al Negro, ¡Hola Colores!
Nos lanzamos a lo grande con un cambio total de imagen. ¡qué comience la fiesta de colores!

Diseño con actitud:
El diseño es nuestra firma. Cada packaging es ahora un lienzo único. Tipografía y colores vibrantes que llevan la experiencia de compra a un nivel completamente nuevo.

Envases que Cuenta Historias:
Hemos incluido fotografías de productos, tanto individuales como en ambientes reales que ayudan a que los productos se vean más y se comprendan mejor.

¡Menos plástico! ¡Más planeta!
Reducimos el uso de plástico porque nos importa el planeta. Un toque de ecodiseño hacia un mundo más verde.

Toda una declaración de estilo y diseño, Fisura está lista para marcar la diferencia en tus espacios, con productos que no solo captan la atención, sino que gritan diseño.
Queremos que cada producto sea una obra de arte que conquiste miradas... ¡y corazones!

FISURA DOORMATS

NUESTROS FELPUDOS

FISURA doormats are made from the husk of the coconut. The coconut growers on the coast of **Kerala, in Southern India,** use every single part of the coconut, during this process **nothing is wasted.** The final result is a durable, tough and easy-to-clean floor mat.

Los felpudos **FISURA** están hechos con la cáscara del coco. Los productores de coco de **Kerala, en la costa del sur de la India,** utilizan todo del coco, por lo que prácticamente **nada se desperdicia.** El resultado final es una alfombra de piso duradera, resistente y fácil de limpiar.

ECO-FRIENDLY

ANTI-SLIP

100% COCONUT FIBER

MADE IN INDIA

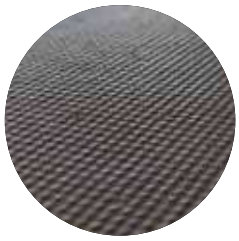
HOW ARE THEY MADE?

Each mat uses the husks of about 25 coconuts
Cada felpudo utiliza la cáscara de cerca de 25 cocos

The husks are first “seasoned” in the lagoons off the coast, then each husk is beaten by hand to extract the fibre
Las cáscaras primero se “sazonan” en las lagunas de la costa, luego se golpean a mano para extraer la fibra

The doormats are painted and colored by hand one by one using different stencils
Los felpudos son pintados y coloreados a mano uno a uno utilizando diferentes plantillas

A traditional open-air sun drying technique is used to fix the paint on the surface of the doormat
Se utiliza una técnica tradicional de secado al sol al aire libre para fijar la pintura en la superficie del felpudo



The anti-slip backing keeps the mat firmly in place and reduces the risk of slipping
La base antideslizante mantiene el felpudo firme en su lugar y reduce el riesgo de resbalones

Karl Cettin by Fisura

Son las cosas pequeñas en la vida las que marcan la diferencia. **KARL CETTIN** es una cuidada combinación de un nombre propio en la moda y otro más común en nuestro día a día; esta es la mezcla perfecta para nuestra marca de calcetines.

Fieles creyentes de esta filosofía, **KARL CETTIN crea divertidos calcetines que son llamativos, atractivos para lucir y que se miren**. Cada par muestra un toque de personalidad y comodidad en tus pies.

Tejidos con una c**ombinación de algodón, polyester y licra elástica**. Con nuestros cómodos calcetines tus pies no sufrirán mientras sobrellevas como apuedes la jornada; son como un cojín! – KARL CETTIN propone **modelos para todos los públicos, para los más animados, atrevidos, para jóvenes y no tan jóvenes, hombres y mujeres,** los más serios y aquellos con menos vergüenza.

Por eso nuestras colecciones KARL CETTIN son unisex y de talla única (valen para todos!). **Fabricados en Portugal** de manera sostenible, a pocas horas de nuestro almacén en León, España.

It's the small things in life that make all the difference. **KARL CETTIN** a careful curated combination a name and a substantive that just fit perfect for our sock line.

Strong believers in this philosophy, **KARL CETTIN creates playful socks that are as nice to wear as they are to look at.** Each colourful pair places a reliably cosy accent on your feet.

Woven in **a blend of cotton, polyester and stretchy spandex**. Our cosy socks cushion your soles as you travel throughout the journey while channelling the light -hearted side in all of us, **both young and old, men and women, serious and ever-so-silly.**

That is why our KARL CETTIN collections are UNISEX & ONE SIZE FITS ALL. Sustainably produced in Portugal, only a few hours drive from our warehouse in León, Spain.
