TRADEMARK

gives back

At DesignWorks Collective, we are passionate about the product we design. We believe in not just *making products*, but in creating products that fit a need and fill a void. We aim to design, package, and produce our candles, stationery, coffee, gifts, and grooming lines with an overreaching goal to be thoughtful in our collaboration and design and to bring joy to our amazing retail partners and customers.

We are equally passionate about investing in our people and our community and truly believe we can make a difference. In 2020, we added solar panels and a solar carport to our DesignWorks Collective headquarters, and found new ways to volunteer in our community during difficult times. We were also able to plant over 10,000 trees this year and give back to organizations we are passionate about through the support of our local and global retail partners.
