2024 COLLECTION

A Letter From Our MD

Hi All

Well, that went quick ! 2023 seems to have flown by in the blink of an eye and in the main it has been a successful year at Upper Canada, I hope everyone had a good Xmas and New Year festive period.

Firstly, I would like to send our thoughts and wishes to anyone affected by the Israel/Gaza conflict, with this and the conflict in Ukraine ongoing, the world continues to be a scary place and sometimes we need to reflect and take time to think about all of the innocent lives impacted by the horrors that we see on a daily basis in the media.

As you are all aware, we acquired The Vintage Cosmetic Company at the back end of 2022 and therefore behind the scenes we have been working hard on transitioning the brand, people, and systems into UCUK and it now truly feels like one business. The year started extremely strongly with all brands and customers performing well, Q2 was a little quieter but Q3 & Q4 were very positive from a demand point of view. Being honest, Q3 really stretched us internally as it was our first peak trading season with Vintage in the business, this meant we didn't deliver to some of our customers in the way we would normally want, we have therefore worked hard on some of our processes and structure to ensure 2024 is seamless and we are confident we are now in a great place for the New Year.

In terms of 2024, it's a year for us to be excited about, we have more newness coming your way which is heavily based on ranges and lines that we have seen working very well in 2023. Extensions to Danielle everyday ranges, more newness in Wanderflower & Yes Studio Bath & Body and increasing our Mirror assortment are the focus areas for SS24 that we believe will continue to grow your businesses. We have decided to flow our newness for both January and April as we believe to bring more NPD, more often keeps the categories thriving and the customers shopping.

All that is left now is for me to thank you again for your support of Upper Canada, and we look forward to working with you all again for this year.

Best Wishes

Ben Andrews

ERASE YOUR FACE®

ERASE YOUR FACE®

DID YOU KNOW?

- Makeup wipes are the third most wasteful product in the world.
- Everyday 20 million makeup wipes are being thrown away.
- The average makeup wearer will use 730 disposable wipes every year!
- It takes 100 years for one makeup wipe to break down in landfill.

ERASE
YOUR
FACE

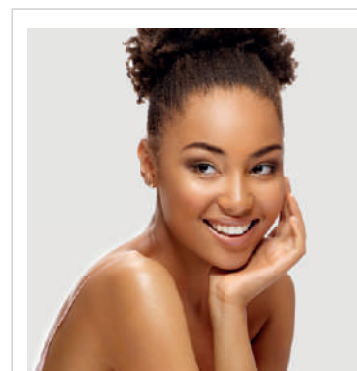

MAKE THE CHANGE...

ERASE YOUR FACE MAKEUP REMOVER CLOTHS ARE AN ENVIRONMENTALLY FRIENDLY ALTERNATIVE TO SINGLE USE MAKEUP WIPES.

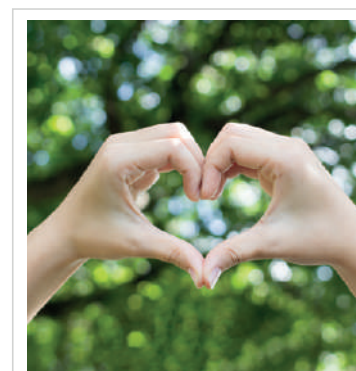

THESE SUPER SOFT CLOTHS REQUIRE JUST WATER TO REMOVE ALL TYPES OF COSMETICS (INCLUDING WATERPROOF MASCARA!)

THEY ARE REUSABLE - POP THEM IN THE WASH AFTER USE AND THEY ARE READY TO RE-USE.

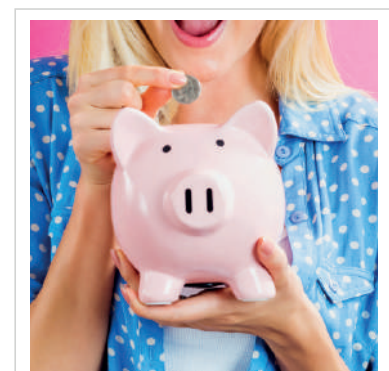

EACH CLOTH COMES IN 100% RECYCLABLE PACKAGING AND CAN BE WASHED UP TO 500 TIMES. NOT ONLY ARE THEY GREAT FOR THE ENVIRONMENT, THEY ARE GREAT FOR SAVING MONEY TOO!

Natural remedies just for little ones

Sleepy Head

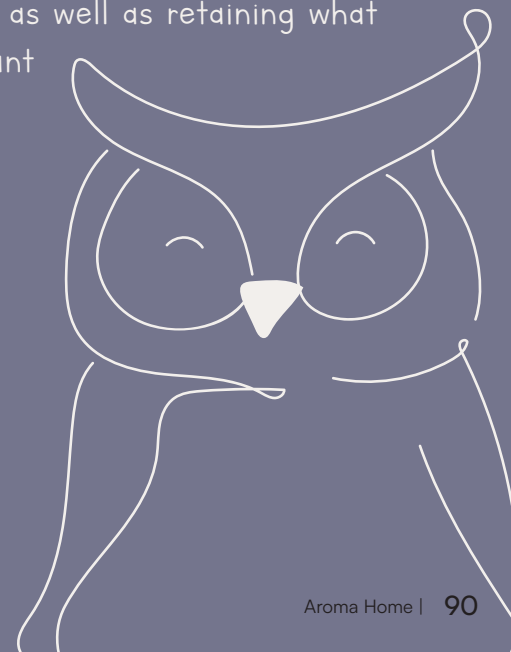

Sleep plays a crucial role in a child's emotional and physical development.

During sleep the body restores, repairs and recharges itself as well as retaining what they have learned throughout the day and releasing important brain development & growth hormones.

If a child isn't getting enough sleep this negatively impacts the immune system, moods and behaviour, and can also hinder development.

Sleep

SLEEPY HEAD

Our Sleepy Head products are formulated with Lavender & Sweet Majoram Essential Oils to help soothe & relax little minds and bodies and help to prepare them for a restful sleep. Each product can be used separately or all together to create a peaceful bedtime routine that will bring a sense of serenity to bedtime.

Day Dreamer

A calm child is a happy child! Children feel stress as much as we do but do not have the tools to recognize or deal with these emotions yet.

They do not recognise what is causing these feelings or when they need to take a break to decompress. So it is important that we encourage moments of calm throughout the day, to help them process their own thoughts and feelings and relieve any feelings of stress or anxiety.

Calm

DAY DREAMER

Our Day Dreamer products are formulated with Sweet Orange, Grapefruit & Chamomile to help provide moments of calm. Massage is just as beneficial to our little ones as it is for us, it helps them take some time out to calm, relax and let go of any feelings of stress & anxiety that have built up throughout the day.

Downtime

Being a child is physically & emotionally exhausting, their brains are constantly working to absorb and process information, social situations and their own observations on the world around them.

We also live in a world today where we are encouraged to schedule in constant activities for our children keeping them constantly entertained so they are not getting the down time that they desperately need to switch off. It is just as or more important to schedule in Downtime for your child everyday to allow their minds to rest, and recharge.

Relax

DOWNTIME

Our Downtime products are formulated with Coconut, Chamomile & Lavender Essential Oils to help calm & relax little ones and help them to wind down at the end of a busy day. Bath time is a great way to provide downtime as part of your daily routine allowing little ones to relax and de stress in preparation for restful sleep.

Our collection of essential oils, hot and cold therapy products and beautiful gifts are designed to help, whether you need to de-stress and relax after a stressful week or if you want to rebalance your mind and body.

EMOTIONAL
WELLBEING

Our emotional wellbeing is just as important as our physical wellbeing, learning to take time out to relax and de-stress is one of the best ways to boost emotional wellbeing.

Our wellbeing products are designed to help you completely switch off from the outside world and reconnect with your soul.

PHYSICAL
WELLBEING

Our physical wellbeing is directly linked to our emotional wellbeing and lifestyle choices. Ensuring we are getting enough sleep, reducing anxiety and stress levels and adopting healthy behaviours all impact our physical wellbeing.

Our hot and cold therapy products have been designed to help ease aches and pains with the added therapeutic benefits of essential oils.

SLEEP WELL

Good quality sleep is vital to our physical and mental health. Being sleep deprived can have a long lasting effect on both our mind & body.

KEY REASONS WHY WE ALL NEED TO ENSURE WE ARE GETTING ENOUGH SLEEP:

1: Helps our brain function:

Sleep helps us to stay alert and clear-headed which in turn enables us to problem-solve, learn new things and easily make decisions. If we do not get enough sleep we experience brain fog, slow reactions and impaired judgement.

2: Keeps emotions in check:

When we are fully rested, we are better able to control our emotions and behavior, without adequate sleep, adults may experience mood swings and increased feelings of anxiety and depression.

3: Reduces disease risk:

Lack of sleep affects our immune systems and our ability to fight common viruses, like colds & flu. On going sleep deprivation can also increase risk of heart disease, kidney disease, high blood pressure, diabetes and stroke.

4: Keeps weight under control:

Sleep deprivation affects our body's ability to regulate appetite hormones.

Body Wraps

Hot & Cold Therapy

Hot and cold therapies are a great natural pain reliever and can be used to treat a variety of different ailments. Our wellness and warming products have been designed to help ease aches and pains using natural hot and cold therapy combined with the therapeutic benefits of added essential oils.

Hot Therapies

Applying heat to sore and tightened muscles helps them to relax and relieves pain from muscle ache & sore joints, it can also help to relieve stomach cramps, sinus congestion and joint stiffness.

Cold Therapies

Cold treatment reduces blood flow to an injured area which can help slow the rate of inflammation and reduce the risk of swelling and tissue damage, so it is great for immediate treatment on minor injuries and tension headaches.
